**ADDITIONAL IMPORTANT INFORMATION:**

---

---

**Pet Release Form Information:**

The Grey Cottage, LLC requires that your pet is current with a rabies vaccination and reserves the right to refuse your pet for grooming if proof is not provided, for safety reasons. Additionally, it is recommended that your pet is current on all other vaccinations as recommended by your veterinarian prior to being groomed.

The Grey Cottage, LLC has the right to refuse grooming any animal that may be a threat to itself or any person. The grooming process at times can be stressful for some animals, and it may be best for them NOT to be groomed under the circumstances, if they pose a threat to themselves, other animals in the grooming spa or humans.

**Clipping/Shaving authorization:**

By signing this form, you acknowledge that shaving a pet often exposes pre-existing skin conditions. If an animal is badly matted, or has a thick undercoat, there may be sores and tender or irritated skin under the mats or coat. As a result of this, clipping and/or shaving may cause additional irritation to already sensitive skin, or may cut skin that is thin, irritated and/or pulled in a mat. As much care as we take to avoid any discomfort or additional irritation/injury, we cannot guarantee that it will not occur.

**Release:**

I confirm that I am the owner/authorized caregiver of this pet(s), and I have read and understand the foregoing cautions printed above. I realize that pet grooming may cause injury, allergic or other reaction to my pet(s), but I desire to have The Grey Cottage, LLC perform the grooming. Therefore, I consent to and authorize the grooming of my pet(s) and I release The Grey Cottage, LLC and its employees or other representatives, from any responsibility or liability arising out of the performance of those grooming and spa services.

In the event of an emergency, I authorize this establishment to provide necessary treatment for my pet at my expense. Additionally, I have read and understand this release form and agree to all terms and conditions.
